

## Trustiics Plus – Global Legal Assurance Plan

*Helping international students and immigrants in Canada and the US  
**avoid legal risks and legal hassles,  
connect with experienced lawyers***

“What happens if I have a legal issue while studying abroad?”

“Who do I call if I need legal assistance in a foreign country?”

“How can I be sure I’m getting the right legal advice?”

Trustiics Plus – Global Legal Assurance Plan rapidly connects students with trustworthy local lawyers and educational resources from experts who understand the challenges international students face while living, working, and studying abroad.

### **It’s like insurance for legal help.**

Stop spending thousands in expensive retainer fees or scrambling to find a trusted foreign lawyer after an incident occurs. With Trustiics Plus, you always know where to turn in case of emergency.

## Reducing Your Legal Risk in Foreign Countries

**You should consider Trustiics Plus if:**

- You are an international student studying or working in North America
- A member of your family is studying or working in North America and you have remained in your home country
- You are immigrating to North America as a temporary resident, permanent resident, or citizen and need help navigating the immigrating process
- You are already in North America on a work/study visa and plan to remain in the country once it expires
- You do not have established relationships with foreign-based legal experts

## Why Trustiics Plus

By becoming a member of Trustiics Plus, you'll gain access to experienced lawyers, accurate legal information & guidance, practical tips & answers, and a broad range of legal resources.

**Connect with experienced North American lawyers**

**Get one-stop access to accurate legal information**

**Stay updated and prepared with regular policy alerts**

**Enjoy valuable benefits with low yearly membership**

## About Trustiics

Trustiics is an online legal marketplace that leverages the expertise of the best-trained legal professionals in foreign jurisdictions (with China being our first market) to provide expedient and high-quality consultation to international small and medium-sized businesses and individuals facing legal issues in that particular market. We provide a platform where international businesses and individuals such as expats can access direct, convenient, and affordable legal services provided by well-trained English-speaking legal professionals from the local jurisdiction. Services available on Trustiics.com include:

- Legal Consultation
- Due Diligence
- Legal Document Translation
- Document Certification and ID Verification
- Contract Review and Legal Document Drafting
